Preauthorization for Specialty Pharmaceuticals - BCBSM will pay for FDA-approved specialty pharmaceuticals that meet BCBSM's medical policy criteria for treatment of the condition. The prescribing physician must contact BCBSM to request preauthorization of the drugs. **If preauthorization is not sought, BCBSM will deny the claim and all charges will be the member's responsibility.**

First Responders Police Fire and Emergency VEBA A11QT8 000000000000 BCBSM Preferred RX Program Effective Date: On or after January 2023 Benefits-at-a-glance

This is intended as an easy-to-read summary and provides only a general overview of your benefits. It is not a contract. Additional limitations and exclusions may apply. Payment amounts are based on BCBSM's approved amount, less any applicable deductible and/or copay/coinsurance. For a complete description of benefits please see the applicable BCBSM certificates and riders, if your group is underwritten or any other plan documents your group uses, if your group is self-funded. If there is a discrepancy between this Benefits-at-a-Glance and any applicable plan document, the plan document will control.

Prescription Drug Discount Program - Prescription drug manufacturers provide coupon programs for certain medications. Your benefit plan requires you to take advantage of BCBSM-approved coupon programs for select medications. This benefit may lower the cost-sharing typically required for these drugs. Your out-of-pocket expense will be no more than your benefit cost-sharing. When a manufacturer coupon is used, only the amount you paid for the prescription will apply towards your annual out-of-pocket maximum.

NOTE: Adjustments may be required to accurately reflect your annual out-of-pocket maximum to reflect your true out-of-pocket cost.

This program may be discontinued at any time if it is no longer supported by the vendor.

Specialty Pharmaceutical Drugs - The mail order pharmacy for **specialty drugs** is AllianceRx Walgreens Pharmacy, an independent company. Specialty prescription drugs (such as Enbrel® and Humira®) are used to treat complex conditions such as rheumatoid arthritis, multiple sclerosis and cancer. These drugs require special handling, administration or monitoring. AllianceRx Walgreens Pharmacy will handle mail order prescriptions only for specialty drugs. You may obtain specialty drugs through a Walgreens retail pharmacy as well as long as the drug is available at that location. You may want to call ahead to confirm availability at the location. **If you go to a non-AllianceRx Walgreens Pharmacy, you may be responsible for 100% of the cost of the specialty drug.** Other mail order prescription medications can continue to be sent to the OptumRx home delivery pharmacy. (OptumRx is an independent company providing pharmacy benefit services for Blues members.) A list of specialty drugs is available on our Web site at bcbsm.com/pharmacy. If you have any questions, please call AllianceRx Walgreens Pharmacy customer service at 1-866-515-1355.

We will not pay for more than a 30-day supply of a covered prescription drug that BCBSM defines as a "specialty pharmaceutical" whether or not the drug is obtained from a 90-Day Retail Network provider or mail-order provider. We may make exceptions if a member requires more than a 30-day supply. BCBSM reserves the right to limit the quantity of select specialty drugs to no more than a 15-day supply for each fill. Your copay/coinsurance will be reduced by one-half for each fill once applicable deductibles have been met.

Select Controlled Substance Drugs - BCBSM will limit the initial fill of select controlled substances to a 5-day supply. Additional fills for these medications will be limited to no more than a 30-day supply. The controlled substances affected by this prescription drug requirement are available online at bcbsm.com/pharmacy.

Member's responsibility (copays and coinsurance amounts)

Note: Your prescription drug copays and coinsurance amounts, including mail order copay and coinsurance amounts, are subject to the **same** annual out-of-pocket maximum required under your medical coverage. The following prescription drug expenses will not apply to your annual out-of-pocket maximum.

- any difference between the Maximum Allowable Cost and BCBSM's approved amount for a covered brand-name drug
- the 25% member liability for covered drugs obtained from an out-of-network pharmacy

Features of your prescription drug plan

Custom Drug List	<p>A continually updated list of FDA-approved medications that represent each therapeutic class. The drugs on the list are chosen by the BCBSM Pharmacy and Therapeutics Committee for their effectiveness, safety, uniqueness and cost efficiency. The goal of the drug list is to provide members with the greatest therapeutic value at the lowest possible cost.</p> <ul style="list-style-type: none"> • Generic drug tier - This tier includes generic drugs made with the same active ingredients, available in the same strengths and dosage forms, and administered in the same way as equivalent brand-name drugs. They also require the lowest copay, making them the most cost-effective option for the treatment. • Preferred brand-name drug tier - This tier includes non-specialty preferred brand-name drugs. These drugs are more expensive than generic and members pay more for them • Nonpreferred brand-name drug tier - This tier includes non-specialty brand-name drugs for which there's either a generic alternative or a more cost-effective preferred brand-name drug available. Members pay more for these nonpreferred brand-name drugs.
Prior authorization/step therapy	<p>A process that requires a physician to obtain approval from BCBSM before select prescription drugs (drugs identified by BCBSM as requiring preauthorization) will be covered. Step Therapy, an initial step in the "Prior Authorization" process, applies criteria to select drugs to determine if a less costly prescription drug may be used for the same drug therapy. Some over-the-counter medications may be covered under step therapy guidelines. This also applies to mail order drugs. Claims that do not meet Step Therapy criteria require preauthorization. Details about which drugs require preauthorization or step therapy are available online site at bcbsm.com/pharmacy.</p>

Features of your prescription drug plan

Mandatory maximum allowable cost drugs	<p>If your prescription is filled by an in-network pharmacy, and the pharmacist fills it with a brand-name drug for which a generic equivalent is available, you MUST pay the difference in cost between the BCBSM approved amount for the brand-name drug dispensed and the maximum allowable cost for the generic drug plus your applicable copay/coinsurance regardless of whether you or your physician requests the brand-name drug. Exception: If your physician requests and receives authorization for a nonpreferred brand-name drug with a generic equivalent from BCBSM and writes "Dispense as Written" or "DAW" on the prescription order, you pay only your applicable copay/coinsurance.</p> <p>Note: This MAC difference will not be applied toward your annual in-network deductible, your annual coinsurance, or your annual out-of-pocket maximum, if applicable.</p>
Quantity limits	To stay consistent with FDA approved labeling for drugs, some medications may have quantity limits.

Network access information

With Blue Dental PPO, members can choose any licensed dentist anywhere. However, they'll save the most money when they choose a dentist who is a member of the Blue Dental PPO network.

Blue Dental PPO network- Blue Dental members have unmatched access to PPO (in-network) dentists through the Blue Dental PPO network, which offers more than 535,000 dentist locations* nationwide. PPO dentists agree to accept our approved amount as full payment for covered services, and members pay only their applicable coinsurance and deductible amounts. Members also receive discounts on noncovered services when they use PPO dentists (in states where permitted by law). To find a PPO dentist near you, please visit mibluedentist.com or call **1-888-826-8152**.

**A dentist location is any place a member can see a dentist to receive high-quality dental care. For example, one dentist practicing in two offices is two dentist locations.*

Blue Par SelectSM arrangement- Most non-PPO(out-of-network) dentists accept our Blue Par Select arrangement, which means they participate with the Blues on a "per claim" basis. Members should ask their dentists if they participate with BCBSM before every treatment. Blue Par Select dentists accept our approved amount as full payment for covered services, and members pay only applicable coinsurance and deductibles. To find a dentist who may participate with BCBSM, please visit mibluedentist.com.

Note: Members who go to nonparticipating dentists are responsible for any difference between our approved amount and the dentist's charge.
